PERSONAL SUMMARY

I am a friendly, hardworking and motivated student currently in 3rd year looking for part time work to gain knowledge and experience in diverse work environments. I enjoy interacting with and helping people, and am quick to pick up new skills.

EXPERIENCE

Mastercard — *Software Engineering Intern*
Leopardstown, Dublin 18

February - July 2026

During my 6 month internship at Mastercard, I was part of the Intern Charity Committee. I helped to organise events for my fellow interns such as Volunteering Days with the charity *My Lovely Horse*, as well beach clean-up events. I hosted a pub quiz which raised over €500 for the charity *Back into Daylight.*

Light House Cinema — *Front of House Staff*
Smithfield, Dublin 07

September 2025 - March 2026

As a Front of House Staff member, similar to my role as a cinema host in Odeon Cinemas, I developed strong problem-solving skills and the ability to take initiative in managing the day-to-day operations of the cinema environment.

Odeon Cinemas — *Cinema Host*
Blanchardstown, Dublin 15

March 2024 - August 2025

I have spent over a year working as a Cinema Host in Odeon Cinemas Blanchardstown. I learnt to greet and serve guests at the till, prepare and serve alcoholic beverages, hot food & drinks, thoroughly and quickly clean screens between film showings, and maintain a level of cleanliness throughout the whole theatre. Working in Odeon Cinemas has greatly developed my ability to work as a team, communicating with my fellow cinema hosts and taking initiative to ensure we are capable of dealing with any issues that come our way.

EDUCATION

Maynooth University
Maynooth, Co. Kildare

I have received a first (1.1) in my **First, Second** and **Third** year of college.

SKILLS

Communication & Teamwork
Worked in jobs that require teamwork and communication to be as proficient as possible.

Problem Solving
From studying Computer Science, I have developed excellent problem solving skills allowing me to deconstruct and efficiently solve problems.

ACHIEVEMENTS

Odeon Cinema Host of the Month - December 2024

During one of the busiest months of the year in Odeon (with releases such as *Wicked*, *Sonic 3*, *Gladiator II*, etc), I was awarded **Cinema Host of the Month** due to my leadership skills, as well as my work ethic, communication and teamwork ability.

-I tutored in the Maynooth Computer Science Support Centre (CSC) in First and Second year.

-Me and my partner won 1st place in our secondary school's Student Enterprise program, where I was required to create, promote and sell a product to my fellow students.

-I assisted in creating my school's 6th year Yearbook. Being a part of the Yearbook team taught me about communicating with others, and working with a deadline.

I received the Luttrellstown Community College 6th Year Merit Award for Mathematics.
